COL-PICE, PHILADELPHIA.—DR. HUNTER'S MEDICAL MAN-UAL.—The author of this work unlike the majority of those works who advertise to cure the diseases of which it treats, s a graduate of one of the best Colleges in the United States. A Production clergyman in Ohio, in writing of "Huner's Medical Manual, says:—Thousands upon thousands of our youth, by evi example and influence of the passions, have been led into the habit of self-pollution without realizing the sin and fearful consequences upon themselves and posterity. The constitutions of thousands who are raising I smiles have been enfeebled, if not broken down, and they do not know the cause or the cure. Anything that can be done so to enlighten and influence the public mind as to check, and ultimately to remove this wide spread source of human wretchedness, would confer the greatest blessing next to the religion of Jesus Christ, on the present and coming generations. Intemperance (or the use of intoxi-cating druks,) though it has slain thousands upon thousands, is not a greater scourge to the human race. Accept my thanks on behalf of the afflicted, and, your co-worker in the good work you are so actively engaged in."

HENRY'S INVIGORATING CORDIAL,
FURELY VEGETABLE IN ITS COMPOSITION.—
This invaluable Cordial, is extracted from Herbs and Roots,
which have been found after years of experience, by the most
skillful Physicians, to be possessed of qualities most beneficial in the diseases for which it is recommended, and hence
whilst it is presented to the public as an efficacious remedy,
Rivales known to be of that character on which reliance
may be placed as to its safety. In cases of Impolency, Hemorrhages, Disordered Nertillity, Menstruation, or Suppression of the Menses, Flour Albus or Whites, or for

arising from any cause, such as weakness from sickness, where the patient has been confined to bed for some time, for Females after canfinement. Abortion or Miscarriage, this Cordial cannot be excelled in its salutary effects: or in loss of Muscalar Energy, Irritability, Physical Prostration, Seminal Weakness, Palplistion of the Heart, Indigestion, Sluggishness, Decay of the Procrective Functions, Nervousness, &c., where a rown Medicine is required, it will be found equal, if not superfer to any Compound ever used. To Females.

Henry's luvigorating Cordial, is one of the most variable Medicines in the many Complaints to which Fernales are subject. It assists nature to brace the whole system, check excess, and creates renewed health and happiness. Less suffering, disease and unhappiness among Ladies would exist, were they generally to adopt the use of this Cordial—Ladies who are debilitated by those obstructions which females are liable to, are restored by the use of a bottle or two, to bloom and to vicer. to bloom and to vigor. Young Men:

That solitary practice, so fatal to the existence of man and it is the young who are most api to become its victims, from an ignorance of the danger to which they subject themselves, Nervous Debility, Weakness of the System, and Premature Decay. Many of you may now be suffering, misted as to the cause or source of disease. To those, then, who by excess have brought on themselves Premature Imposency, Involuntary Seminal Emissions, Weakness and Shrivelling of the Genital Organs, Nervous Affection, or any other consequences of unrestrained indulgence of the sensual passions occasioning the necessity of renouncing the felicines of

Marriage, lessening both mental and bodily capacity. Hold! Henry's Invigorating Cordial, a Medicine that is purely Vegetable, will aid nature to restore those important functions to a healthy state, an 'will prove of service to you. It possesses rare virtues, is a general remover of disease, and strength-

As a Tonic Medicine, it is unsurpassed. We do not place this Cordial on a footing with quack medicines, and, as is customary, append a long list of Recommendations, Certificates, &c., beginning with—"Hear what the Frencher says," and such like; it is not necessary, for "Henry" invigorating Cordial, "only needs a trial to prove that it will accomplish all we say. The Genuine "Heary's Invigorating Cordial," is put up in 8 oz Pannel Bottles, and is easily recognized by the Manufacturer's signature on the label of each Bottle, (to counterfeit which is forgery,) as well as the name blown in

Who hav a just appreciation of Truth, and ask them in all cande, if the above is not true? That being granted, we now propose to ask you why is it that internal remedies are always resorted to in the treatment of such diseases? Why give a man a dozen nauseating dozes of medicine for a swelling of the ancie? Why paysic a man to death for a few pains? Why give a man pills for an affection of the muscles? Ah, friends, "Be sure to give one pill every hour" has thin its thousands. Man's stomach was not designed for the purpose of a drug ctore. signed for the purpose of a drug etere.

Seize Upon Truth wherever you find it. We offer a medicine which will not devour your stomach, it will not interfere with your regular food, it will not prevent a healthy assimilation of your digestive apparatus, but it is a powerful external stimulant, which opens the porces of the skin, excites the absorbent system, penetrate, this nerves, muscles, and tendous and ligaments of the parts to which it is applied, producing a a free circulation of blood through the parts, stimulating the nerves, revivifying and building up the deadened tissues to which it is applied.

In health, there must be an equilibrium in the nervous and circulators systems, and this must be brought about by external amplications. We know that our theory is a new one, and will have its

Pregnancy.

Much of the suffering attendant upon the lives of females at the present day may be traced to some slight improdence or neglect during some critical period of their peculiar seasons, causing obstructions, irregularity, &c., which, if not relieved, gradually weakens and deranges the system, and by symmetry induces these change of disease. Constructions sympathy induces those chronic forms of disease—Con-sumption, Dropsy, Dyspepsia, &c—which either hurry them to an early grave or render them invalids for life. AFFLICTED READ! PHILADELPHIA MEDICAL HOUSE.—Established 15 years ago by DR. KINKELIN. Theoldest, surest and best hand to cure all forms of secret diseases of the skin, and solitary habits of youth, is DR. KINKELIN, N. W. corner of Third and Union streets, between Sprace and Pine, one and a half squares from the Exchange, Philadelphia.

Take Particular Notice.—There is a habit which

boys teach each other at the academy or college—a habit in-dulged in when by themselves, in solitude, growing up with the boy to manhood, and which, if not abandoned in due time, not only begets serious obstacles to matrimonial hap-piness, but gives rise to a series of protracted, insidious and devastating affections. Few of those who indulgs in this devastating affections. Few of those who indulgs in this pernicious practice are aware of the consequences, until they find the nervous system is shattered, feel strange and imaccountable feelings, vague fears in the mind. The individual becomes feeble, he is unable to labor with accustomed vigor, or to apply his mind to study, his step is tardy and weak, he is dull and irresolute, the countenance is downcast, the eyes without natural fusive, shannefacculoses is apparent—

These are symptoms which should awaken the altention of those similarly affected.

If the victim be conscious of the cause of his decay, and If the victum be conscious of the cause of his decay, and having relinquished the odious practice, he suffers under those terrible nocturnal emissions, which weaken and shame him, producing mental and physical prostration. If he emancipate himself before the practice has done its worst, and enter matrimony, his marriage is unfruitful, and his senses tell him that this is caused by his early follies.

Too many think they will hug the secret to their own hearts and cover thousalty. And have often is this a fetal hearts, and cure themselves. Alas! how often is this a fatal delusion, and how many a promising youth, who might have been an ornament to society, has failed from the earth? Young Men!—Let no false modesty deter you from making your case known to one who, trost education and respectability, can alone befriend you. He who places himself under DR.
